For Arara, an undersized runt puppy, and her best friend, Gror, this means constant torment by bullies at school. There is no way around it, as far as Arara is concerned, her life is horrible and it's not going to change anytime soon. However, during a routine hunt with her father Arara discovers she has other talents - the ability to move things with her mind. Armed with this new power, Arara convinces Gror to help her take down Kerka - the biggest, baddest pup in town. But when things go wrong, Arara and Gror must learn to overcome their biggest fear, before it is too late. Snow Flower: Arara's Tale is a Prequel Novella to the Flower's Fang Series.
