Foden Press, United States, 2010. Paperback. Book Condition: New. Candice McMullan (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the second book in the Chimona Chronicles series for young readers and their parents. Here the critters of Lake Okanagan are helping with a rescue on the lake, as well as around the resort. This book provides a simple interweaving of two stories. the rescue of some Scottish tourists, and the rescue of a missing boat. An ideal travel and mystery title that will amuse the kids for hours - and not bore the parents too soon. Readers will recognize some of their favorite critters, as well as meet new ones, and see how they interact with humans - especially Salquin and the Boat Keeper. A matching online glossary and full character profile will help children learn some of the new places and words used. Once again, it contains some lovely illustrations to keep the attention of those who can't read yet, as well as to help tell the story and bring the critters special personalities to life.
