

Prophecy, Prayer and Revelation. the Key to Knowledge.: How to Know the Truth of All Things.

By Massimo Giuseppe Franceschini

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Everything you want to know about Joseph Smith and the book of Mormon. The purpose of my books will be to use the Bible, which is trusted as the Word of God, and it is, to show mankind that there is a solid ground for the story of Joseph Smith. Surely I can't prove it with tangible proofs, like no one is able to prove with tangible proof the resurrection of the Lord. Faith is always necessary to believe, but I am sure that, if prejudices are overcome, what I am going to discuss it will be reasonable and interesting. So buckle up and remember: Minds are like parachutes: they work better when they are open. The critics usually don't pay any attention to the answers. They don't believe there is an answer. This information is for those who have faith in the Gospel of Jesus Christ and are sincere in their heart.
