A sullen and arrogant graduate student, he never thought Austen would have anything to offer him. Then he read Emma and everything changed. In this unique and lyrical book, Deresiewicz weaves the misadventures of Austen's characters with his own youthful follies, demonstrating the power of the great novelists' teachings and how, for Austen, growing up and making mistakes are one and the same. Honest, erudite, and deeply moving, *A Jane Austen Education* is the story of one man's discovery of the world outside himself. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
