MAKING THINGS RIGHT: ACTIVITIES THAT TEACH RESTORATIVE JUSTICE, CONFLICT RESOLUTION, MEDIATION, AND DISCIPLINE THAT RESTORES INCLUDES 32 DETAILED LESSON PLANS WITH PREPARED PROJECTIONS AND HANDOUTS

Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Making Things Right is designed to be used in several ways: 1. To train students to become mediators and peacemakers in their classroom and at home and as peer mediators for their school. 2. To train students to understand and participate in a restorative justice/discipline structure in the classroom based on the book Discipline That Restores: Strategies to Create Respect, Cooperation, and Responsibility in the Classroom by Ron and Roxanne Claassen. 3. To train parents who want to understand and use a constructive conflict management strategy in their families. Making Things Right is divided into three sections. The first section consists of the lesson plans for each of thirty-two activities. The second section is called Projections and Handouts (larger print makes them easier to read when projected). The third section consists of the Student Folder Items. The time listed for each activity is an approximation and provided to help the teacher determine how they want to combine or use individual activities to fit their time frames. Making Things Right is designed to be used both for whole-class trainings in which lessons are taught on a daily basis spread over several days for one to two weeks, and for two-day student mediator training seminars. Our preference is to use the lessons with the entire class so all have the skills and strategies to be peaceful problem solvers. It is especially helpful for educating students about the theory, skills and strategies used in Discipline That Restores, also by Ron and Roxanne Claassen. Discipline That Restores gives teachers and administrators the knowledge and skills for implementing restorative justice discipline in the classroom and school. It is important for students to have...
