# ACADEMIC LIBRARY SYSTEM (SECOND EDITION)

Ess Ess Publisher, 2009. Hardcover. Book Condition: New. 2nd edition. There has been no full-length text discussing the academic library system. The few books available are written for the librarians alone. This one is different in being addressed to; besides librarians, the university and government administrators and faculty members to highlight the importance and worth of library and arouse their interest, concern and support, so essential for the development of college and university libraries in India. It is an attempt...
