

## Redesigning Health Care for Children with Disabilities: Stengthening Inclusion, Contribution, and Health

By Heidi M. Feldman

Paul H. Brookes Publishing Co., 2013. Softcover. Book Condition: New. One in five families has a child with special health care needs-but medical and human service professionals often don't get the training they need to provide long-term, integrated care for these children. Filling a critical gap in professional education, this groundbreaking textbook and training tool presents a comprehensive, interdisciplinary framework for delivering effective health care to children with disabilities and chronic illnesses. Going far beyond the traditional model of treating and reducing symptoms, renowned pediatrician Heidi Feldman gives professionals a big-picture blueprint for improving the lives of children with disabilities and helping them participate fully in family and community life. Prepare health professionals to: Focus on three key priorities that improve children's lives- inclusion in community life, contribution to society, and health and well-being Understand and resolve the challenges of delivering health care to children with disabilities Collaborate on comprehensive, integrated care plans with parents and other professionals Implement family- and person-centered care at the clinical, organizational, and policy levels Address system fragmentation and work toward coordinated care Engage in system and policy reform to ensure better clinical and functional outcomes for children To illustrate key points, Dr. Feldman relates powerful...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
