Is It a Big Problem or a Little Problem?: When to Worry, When Not to Worry, and What to Do

By Amy Egan

St. Martin's Griffin. Paperback. Book Condition: New.

Paperback. 352 pages. Dimensions: 9.0in. x 6.1in. x 1.2in.

Your road map through the ups and downs of early childhood. Almost every child, at some point during their early years won't listen, will throw a tantrum, will be mean or aggressive, shy or withdrawn, be a picky eater, and more. As a parent, you know that differences in children's learning styles and temperaments are a given. However, when any of these problem behaviors become the norm for a child, a red flag should go up. If they affect a child's ability to be happy, relate to others, and go about his daily life, there may be a real problem. Is it a Big Problem, or a Little Problem will help you to determine: -The size of the problem -How to manage problems on your own with practical tips and strategies -When, if at all, to seek a professional evaluation and what to do in the meantime. Learn when to worry, when not to worry, and what to do. This book will be your essential guide to decoding your child's behavior and navigating the early years of childhood. SHARON ANDERSON, OTR/L, AMY WUSTERBARTH EGAN, MA, AMY FREEDMAN,...

Reviews

This ebook is really gripping and fascinating. it had been writtern extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Leopold Hills**

Totally among the finest publication I actually have at any time study. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this pdf to discover.
