Tate Publishing Enterprises, United States, 2010. Paperback. Book Condition: New. 208 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****.The Way of the Wise, which is the main core of this book, is a desirable re-awakening of some neglected virtues of the Christian life in our time. Many persons feel that shouts of alleluia, exulting songs, praising and praying in more or less unknown tongues are proofs of being wise. As much as these may be true, they could be deceitful and without meaning. The early Christian fathers were wise in their own era with regards to knowing the wise way to reach God for their every day living. Author Benny Amu has taken time to delve into this subject with sanctified wisdom and revelatory knowledge that will enrich the reader s spiritual life.
