Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. Sometimes, we become so lost in the dark realities around us that we lose sight of ourselves, forgetting the dreams we once had. When that time comes, hope is all we have to keep us going, and that is something we should never lose. Everyday was all the same: he woke, he walked, he worked. Bugged down by the ceaseless fog and endless routines, a young Builder named Nil Time moved through each day peering out into the emptiness, constantly wondering whether there was more to the world than what was shown. That was until he laid his eyes on something strange - a sight never seen before. It is only when he chooses to embrace his inner curiosity - breaking out of settled familiarity - does he begin to realize there is more to life than whats been known. BELOW CERULEAN SKIES tells a story of facing fears and trusting ourselves so we can discover what lies beyond. It speaks on taking a leap of faith to explore uncertainty with the hope to uncover the repressed potential of who we truly are. Experience the story fully by reading and listening together with the accompanying soundtrack composed by Edward Mountain. Read, Listen, Feel at bit.ly/listenbcs.
