

A Call to Arms

Filesize: 8.95 MB

Reviews

This book is definitely not effortless to begin on looking at but quite entertaining to read. Better then never, though i am quite late in start reading this one. I am just easily can get a enjoyment of looking at a written ebook.

BAEN, United States, 2016. Paperback. Book Condition: New. Reprint. 170 x 104 mm. Language: English . Brand New Book. From multiple New York Times best-selling author David Weber and #1 New York Times best-selling author Timothy Zahn. A NEW ENTRY IN A BEST-SELLING SERIES. Book #2 in the Manticore Ascendant series, set in David Weber's Honorverse. This year we celebrate the 25th anniversary of Honor Harrington. Lieutenant Travis Long of the Royal Manticoran Navy is the sort of person who likes an orderly universe. One where people follow the rules. Unfortunately, he lives in the real universe. The good news is that Travis is one of those rare people who may like rules but has a talent for thinking outside them when everything starts coming apart. That talent has stood him and the Star Kingdom in good stead in the past, and it's one reason he's now a mustang, an ex-enlisted man who's been given a commission as a King's officer. The bad news is that two of the best ways of making enemies ever invented are insisting on enforcing the rules . . . and thinking outside them when other people don't. But the one rule Travis Long absolutely can't break is the one that says an officer in the Royal Navy does his duty, whatever the consequences. At the moment, there are powerful forces in the young Star Kingdom of Manticore's Parliament which don't think they need him. For that matter, they're pretty sure they don't need the Royal Manticoran Navy, either. After all, what does a sleepy little single-system star nation on the outer edge of the explored galaxy need with a navy? Unhappily for them, the edge of the explored galaxy can be a far more dangerous place...
