*This book may be worth purchasing. I am quite late in start reading this one, but better then never.  
Once you begin to read the book, it is extremely difficult to leave it before concluding.

## THE DEATH OF THE JULIA DIVISION: MEMOIRS OF AN OFFICER

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Death of the Julia Division is the devastating story of the destruction of the Italian Julia Division (an elite group of army alpine soldiers, once 10,000 strong) in the war against Greece in 1940. It has only been told in a piecemeal fashion, from personal recollections of those few survivors who much later narrated their experiences. Usually these stories are about the first phase of the campaign, which was a war of action and winning; while the second phase, substantially a war of defense and holding position that ended in defeat and death, is ignored or barely touched on. However, in his book *The Death of the Julia Division*, the retired Italian Army General, Giacomo Fatuzzo (now deceased), fills in the gaps in his moving true story about this division -- the division that was to have been the key to success in Italy's Greek campaign. In his book, which is based on his actual war diary, General Fatuzzo (then a Major in the Julia Division) provides an emotional, first-hand, day-by-day description of the difficulties encountered, the suffering endured, and the battles fought by the alpine troops of the Julia Division. On the one hand, these pages are compelling because they present a quick and concise narrative of actual experiences and feelings, not a cold accounting of strategies and troop movements. On the other hand, they are riveting because they tell a timeless story -- the agony of a man who doesn't believe the war he is fighting is justified but fights as hard as he can; of an officer who knows that his superiors are making poor decisions from a...
