

## Selected Articles on Compulsory Insurance (Classic Reprint)

Filesize: 8.35 MB

### ***Reviews***

*The ebook is simple in go through preferable to comprehend. Better then never, though i am quite late in start reading this one. Its been printed in an exceptionally simple way and it is simply right after i finished reading through this pdf in which in fact altered me, affect the way i believe.*  
(Prof. Corbin Hilll)

## SELECTED ARTICLES ON COMPULSORY INSURANCE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Selected Articles on Compulsory Insurance The selections in this handbook are designed to include information and argument on some of the questions arising out of what is generally called social insurance. This may be defined as the formal provision made by or for working people against the vicissitudes of life - including sickness, industrial accident, invalidity, unemployment, old age. and dependency. The attention of thinking people all over the civilized world is being focused on this subject. Varied forms of legislative experiment are in progress - many new and interesting ones are being proposed. Many of the problems involve intricate legal technicalities that have no place in a compilation intended for popular use. These are included in the bibliography, which is wider in scope. The rapid march of events in the field of social insurance leads to constant review of the whole subject in the books and magazines. This renders much of the older literature of no particular value for the student - hence the exclusion from the bibliography of much excellent literature that has been superseded by more available material. The general trend of legislation is toward compulsory insurance, and the title chosen for this volume is a recognition of this tendency. No one question for debate has been considered in the selections, but the following topics are suggested as among those most widely discussed in the United States: - Is the German system of social insurance adapted to conditions in the United States? Is compulsory state insurance the best form of insurance for working people? What is the best provision against unemployment? About the Publisher Forgotten Books publishes hundreds of thousands of rare and...
