

American Plague: The True and Terrifying Story of the Yellow Fever Epidemic of 1793

Filesize: 8.62 MB

Reviews

These types of book is the greatest ebook readily available. I was able to comprehended every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

AMERICAN PLAGUE: THE TRUE AND TERRIFYING STORY OF THE YELLOW FEVER EPIDEMIC OF 1793

Clarion Books. Hardcover. Book Condition: New. Hardcover. 176 pages. Dimensions: 9.5in. x 6.9in. x 0.8in. 1793, Philadelphia. The nations capital and the largest city in North America is devastated by an apparently incurable disease, cause unknown . . . In a powerful, dramatic narrative, critically acclaimed author Jim Murphy describes the illness known as yellow fever and the toll it took on the citys residents, relating the epidemic to the major social and political events of the day and to 18th-century medical beliefs and practices. Drawing on first-hand accounts, Murphy spotlights the heroic role of Philadelphias free blacks in combating the disease, and the Constitutional crisis that President Washington faced when he was forced to leave the city--and all his papers--while escaping the deadly contagion. The search for the fevers causes and cure, not found for more than a century afterward, provides a suspenseful counterpoint to this riveting true story of a city under siege. An American Plagues numerous awards include a Sibert Medal, a Newbery Honor, and designation as a National Book Award Finalist. Thoroughly researched, generously illustrated with fascinating archival prints, and unflinching in its discussion of medical details, this book offers a glimpse into the conditions of American cities at the time of our nations birth while drawing timely parallels to modern-day epidemics. Bibliography, map, index. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
