Brand New Book ***** Print on Demand *****.Why You Should Buy This Book Now, or You Have to Know Why Things Work on a Starship In the middle of a battle with Khan (Ricardo Montalban, not Benedict Cumberbatch), Captain Kirk and Mr. Spock start fooling around with the command console on the Enterprise. Lt. Saavik does not understand why, and Kirk replies, You have to learn why things work on a starship. Kirk has a cool plan to outperform Khan because he knows more about how things work than Khan does (Meyer, 1982). In 1995 the National Institutes of Health issued a report strongly recommending hypnosis to treat chronic pain and insomnia. The report noted that the mechanism for the relief of pain and insomnia was not well understood. Much has changed since 1995. Advances in neurology and neuroimaging brain scans now reveal exactly how suggestive processes and hypnosis function. The brain physiology of hypnosis is well understood. In 1784, French king Louis XVI appointed a royal commission headed by Benjamin Franklin to investigate amazing cures by the flamboyant Franz Anton Mesmer, a man with...
