Identity is the self-created reflection of each person's values, beliefs, family, genetics, physical traits, environment, religious background and experience. Our stories are intended to touch a part of you that is buried deep inside, begging to be nurtured in order for you to grow as a human being on your short visit to this earth. Are you living your passion? Doing what you love? Have you discovered who you really are? As you read through the stories in this book, you will learn not only about each author's story on their road to discovering their identity as it is now, but hopefully they will inspire you to think about your own journey to Discover Your Identity.
