Philanthropist? Super hero? Science nerd? Just who is Tony Stark, aka Iron Man? For the very first time, Tony takes a break from running Stark Industries and battling super villains to share his personal view of the world. From the art of witty banter, to armor construction, in-flight combat, and finding a really swanky restaurant after a long day fighting the Mandarin, the Armored Avenger opens up on a wealth of subjects as close to his heart as his Arc Reactor. Along with these fascinating insights, The World According to Iron Man also comes packed with amazing special features, including a Stark Industries share certificate, an invite to the Avengers New Year's Eve party, and pop-up Iron Man armor.
