Doses of Devotion is simply a little encouragement for those days you feel like you can't go on. This is not a how-to guide or a book to tell you that all you have to do is pray, but it is a book to let you know that, yes, prayer works, but not just prayer alone because the Bible says; Faith without works is dead (James 2: 17). See, you've got to have faith that whatever you ask for will be given. So, stop asking God like you're scared because I assume you really need what you're asking him for. Ask Him for what you need and do so like it's already done! No, I am not an ordained minister or evangelist nor do I claim to have all the answers, but I am simply a young lady with a talent given by God that I've chosen to share with you. I live everyday with trials and tribulations so I can be an honest witness of God's unbelievable power. I pray that this book reaches those that need a little or even a lot of encouragement for the times you've seem to fall and don't know how to get back up! I pray that this book gives you, if even a little, hope and understanding and the courage to pray more. Spend time in total devotion to God and watch how He works in your life. Will it be easy, no, but nothing worth having ever is! This item ships from La Vergne, TN. Paperback.
