How very curious this sleepy habit is, mamma! Do you think the animals require such a long rest? No, I do not imagine that can be the reason; because some animals who, in their usual haunts, spend some months thus, when placed in warmer situations, do not sleep except at night. The field-cricket, for instance, hibernates in rural districts; but in the precincts of a country town, migrates, as it were, to the kitchen hearth, and there enlivens us with his cheerful chirp all the winter long. This winter sleep seems, therefore, a merciful provision for those animals who could get no proper food in that rigorous season, or who would die of...

Reviews

An exceptional pdf and also the typeface applied was intriguing to read through. It is definitely simplified but excitement in the 50 % in the ebook. I discovered this ebook from my dad and i recommended this pdf to find out.
